

Dear Sir,

Greetings from **Ophthaquest Gurgaon, India!**

Ophthalmology is one of the most exciting branches of medicine, Eye Surgeons are known for their Quest for acquiring new information, technology and skills.

In this era of back-to-back meetings, the need for **A Neutral Platform, where enriching views from seniors, daunting questions from Young Ophthalmologists and “beyond conventional” maneuvers of extreme surgeons can make conferencing an exciting venture**, cannot be over emphasized.

With this vision we have held our annual meetings since 2016. All our previous meetings have been very successful and universally applauded.

**We would be holding our Annual meeting OPHTHAQUEST FOUNDERS SYMPOSIUM 2025 on Jan 12<sup>th</sup> and 13<sup>th</sup> at Radisson Hotel Gurugram Sohna Road City Center, Gurugram**

This would be a **2 Day Academic Feast**, to be attended in person or virtually by National Faculty and Delegates from all over the India. We are expecting **200+ ophthalmologists** to attend this meeting in person.

**Highlights would be candid case-based situations, Advances in Ophthalmology that were adapted in our practice, live surgeries, workshops and Premier League sessions.**

**We look upon you as a company that unconditionally supports academic activities for Ophthalmology and we are grateful to your support in past.**

So, may we have the pleasure to invite you as one of the sponsors for this Academic meet and provide us the academic and research grant for this CME activity. Total budget we have kept 4 categories for sponsorship.
